Does my child need a CHAPERONE?

YES. All children under the age of 18 must be chaperoned. Each adult may chaperone no more than one non-family member child under the age of 18. The chaperone must be over 21 years of age. There will be no exceptions. Parents who are not planning to attend the event with their children are responsible for finding a chaperone to supervise their children during the **entire** event, as well as arranging for transportation to & from the event. Please do not come

without a chaperone & assume that someone will take on that role once you arrive. Chaperone forms should be completed and returned to Farm & Wilderness before the event. [Download the CHAPERONE FORM from our website](#)

What kind of food will be served?

Farm & Wilderness staff will prepare all meals. Three delicious meals will be served each day. Our cooks will do their best to accommodate standard dietary requests. Please be aware that it is not always possible to accommodate all special diets. Please be sure to give us advance notice of special requests. Friday evening dinner will be served at 6:30PM. If you arrive after that there will be a pot of soup on the stove so you may eat whenever you arrive.

Where will we be staying/sleeping?

We cook, eat and gather at the Tamarack farm Lodge where there is running water and electricity. We sleep by family or groups in the camp cabins, which are rustic, open buildings with built-in bunks or the indoor bunkhouses in the Farmhouse itself. Mattresses are provided. Participants should be aware that they might share their sleeping cabin with others. There are outhouses by the cabins. Hot showers are available in our shower houses located near the lodge and cabin areas. *If you would like a private sleeping space*, see our list of [local area accommodations](#).

The activities will take place all over F&W property. Please keep in mind that other camps may be in use by other groups and should be considered off limits unless special permission is given to visit.

What is the Cancellation / Refund Policy?

If you cancel *on or before the Friday prior to the event you* will receive a full refund minus a \$25.00 administrative fee. If you cancel *after that date* you will be issued a full credit minus a \$25.00 administrative fee. This credit can be used towards payment for future Farm & Wilderness events within that calendar year, summer camp tuition or a contribution to the foundation. It is not possible to make any reduction in the **paid** registration fee if you change arrival or departure dates. The only exceptions are withdrawal on account of serious illness or injury incurred while at F&W. There will be no refund if you are asked to leave camp during the event due to an infraction of Farm & Wilderness rules or if you withdraw voluntarily.

How can participants be reached at the event?

Participants can be reached at Tamarack Farm Lodge by calling **(802) 422-3447** or **(802) 422-7583**. In the event of an emergency, the Farm & Wilderness answering service can be used to page Melanie Gander **1-888-622-3276**.

Is there cell phone reception or Wi-Fi access?

There is extremely limited and unreliable Cell phone reception at Tamarack Farm. **There is NO Wi-Fi access at the farmhouse** over the weekend. In the spirit of Farm & Wilderness being "unplugged" we strongly recommend that participants leave their laptops, i-phones and any other internet connected handheld devices at home, or store them in your car for the weekend. The only "pods" invited are the kind that hold peas...and a blackberry might get baked into a pie!
