General Ground Rules:
At Farm & Wilderness we strive to provide an environment that is safe and special, where we can leave behind some of the distractions of our everyday lives and gather in the beauty of nature and community. Toward this end we ask the following:
1. No tobacco, alcohol, drugs or firearms.
2. No open flames in any of our buildings.
3. No pets. Please do not even ask. Visiting pets put our farm animals, the comfort of others and the visiting pet at risk.
4. Help with community chores such as meal clean up.
5. No electronic games, radios or boom boxes.
6. Quiet hours begin at 10:00pm and end at 6:30am
7. Abide by the waterfront rules as follows:
   - A certified lifeguard must be on duty to swim at any time at the waterfront.
   - No child can be at the waterfront at any time without a parent or parent-designated adult.
   - Safety vests (PFDs, life jackets) must be WORN by each person in a canoe or boat. A certified lifeguard must be present when people are canoeing.
   - No diving off docks.
   - The waterfront is suits-only swimming and sauna.
